## ABOUT ME

I am a logistics specialist with a passion for coding and solving complex problems. Currently, I am studying Information and Communication Technology Engineering at JAMK, working towards becoming a software engineer. I am committed to continuous learning and bring discipline, focus, and the ability to work effectively both independently and as part of a team. My goal is to contribute innovative solutions and grow professionally in the tech industry.

## WORK EXPERIENCE

- Jan 8, 2022 – Present  
Lidl Suomi ky  
Logistics specialist  
As a Logistics Specialist, my main tasks include driving forklifts, voice-picking items, and counting goods. Additionally, I handle various other tasks as needed.
- August 9, 2021 – October 29, 2021  
S-Market Goodman  
Intern  
I completed the final phase of my studies by handling goods in and out of the small grocery store, including stocking shelves and organizing inventory for store display.
- May 31, 2021 – August 1, 2021  
Lidl Suomi Ky  
Summer Worker in logistics  
I completed the final phase of my studies by handling goods in and out of the small grocery store, including stocking shelves and organizing inventory for store display.
- April 6, 2021 – May 28, 2021  
Hankkija Oy  
Intern  
Took care of different responsibilities in the warehouse, from handling goods and organizing logistics to keeping inventory in order. I also worked directly with customers, answering their questions and making sure they were happy with the service.
- January 20, 2021 – March 26, 2021  
Atoy Automotive Finland Oy  
Intern  
I assisted with purchasing and sales operations, as well as handling customer order deliveries and invoicing.
